

PART III**SECTION 1A****APPENDIX 6****WORLD RANKING SYSTEM**
[Note: Competition Regulation 30]**1. Definition**

- 1.1 The World Ranking and World Junior Ranking are lists of players / pairs in order of strength. There is one list for each of the five Badminton events in the World Ranking and World Junior Ranking. The system used to rank players / pairs is explained below:
- 1.2 The world team ranking is the list of member associations in order of strength.
- 1.3 Players / pairs:
 - 1.3.1 win ranking points by playing in tournaments that are graded.
 - 1.3.2 in the World Ranking are ranked if they have played in one or more graded tournaments in the last 52 weeks, or, in the World Junior Ranking are ranked if they have played one or more graded tournaments in the last 52 weeks.
 - 1.3.3 win ranking points by playing in and winning matches in tournaments.
 - 1.3.4 the higher the level of tournament, the more points are won.
 - 1.3.5 the further reached in a competition, the more points are won.
 - 1.3.6 can be seeded based on their World Ranking and World Junior Ranking.
 - 1.3.7 can qualify for the Olympic Games and the World Championships based on their World Ranking.

2. Tournaments included in the Rankings

- 2.1 The World Rankings are compiled from the results of tournaments that are sanctioned by the BWF (except Junior tournaments) held over the last 52 week period. All tournaments eligible, under the criteria at the end of this section, are graded and the details of the grade are published in the International Calendar of Tournaments.
- 2.2 The World Junior Rankings are compiled from the results of BWF World Ranking tournaments (results from a maximum of two BWF World Ranking sanctioned tournaments may be included in a junior player's World Junior Ranking) and the junior tournaments that are sanctioned by the BWF held over the last 52 week period. All tournaments eligible, under the criteria at the end of this section, are graded and the details of the grade are published in the International Calendar and Junior Calendar of Tournaments.

3. World Ranking and World Junior Ranking Lists

- 3.1 The Rankings are published on a Thursday every week. The complete Ranking lists are available on the BWF web site: www.bwfbadminton.org.

4. Points system

- 4.1 Players/pairs win points according to how far they progress in the draw of a particular event.
- 4.2 If a player/pair:

- 4.2.1 had a bye in the first round and lost in the second round – they receive first round loser’s points.
- 4.2.2 had a bye in the first round, won in the second round and lost in the third round – they receive third round loser’s points.
- 4.2.3 had a walkover in the first round and lost in the second round – they receive second round loser’s points.
- 4.2.4 had a bye in the first round, walkover in the second round and lost in the third round – they receive third round loser’s points.
- 4.2.5 in tournament levels 3 and 4 had a wildcard entry and lost in the first round - they receive no world ranking points.
- 4.2.6 in a tournament with rounds in group play (pool matches) they will receive points according to the finishing position in the group, equal to the equivalent finishing position in a knock out format tournament.
 - For example a player/pair finishing in fourth place in a group, in a draw containing eight groups of four would receive round of 64 loser’s points;

Eight groups of four are played.

- Number 1 in the group proceeds to the knockout stage, playing for position 1, 2, 3/4 and 5/8
 - Number 2 in the group would receive position 9/16 world ranking points
 - Number 3 in the group would receive position 17/32 world ranking points
 - Number 4 in the group would receive positions 33/64 world ranking points.
- 4.3 Where the BWF disciplinary committee cancels a match due to a breach of GCR Appendix 5 then the World Ranking points will be removed from that player/pair.
 - 4.4 In the World Championships or a Level 2 event, if a player or pair withdraws or retires from a match played against a player or pair from the same member association they will not receive ranking points for that tournament.

5. Ranking

5.1 World Ranking - 10 or fewer World Ranking tournaments in the last 52 weeks

If a player or pair has competed in the same event at 10 or fewer World Ranking tournaments then the ranking is worked out by adding the points won at the tournaments.

5.2 World Ranking - 11 or more World Ranking tournaments in the last 52 weeks

If a player or pair has competed in the same event at 11 or more World Ranking tournaments, only the 10 highest points scored in the tournaments during the previous 52 week period count towards their ranking.

- 5.3 If a player or pair has competed in the same event at seven or fewer World Junior Ranking tournaments then the ranking is worked out by adding the points won at the tournaments. Up to a maximum of three BWF sanctioned World Ranking tournaments shall be included in the player or pair’s World Junior Ranking.

- 5.4 If a player or pair has competed in the same event at eight or more World Junior Ranking tournaments, only the seven highest points scored in the tournaments during the previous 52 week period count towards their World Junior Ranking, of which a maximum of three BWF sanctioned World Ranking tournaments shall be included in the player or pair’s World Junior Ranking.

6. Points lists

- 6.1 Players / pairs are ranked using points. The player / pair with the highest calculated points will be ranked number one and so on.
- 6.2 If two or more players / pairs have identical points, then the players / pairs who have played in the most tournaments will be ranked higher. If players / pairs have identical points and have played in an identical number of tournaments, then these players / pairs are ranked equal. So, if say five players are ranked 1 to 5, and then there are three players with equal points and number of tournaments, the ranking would be: 1, 2, 3, 4, 5, 6, 6, 6, 9, 10, etc.
- 6.3 The tables that follow show the points awarded in BWF-sanctioned tournaments.

6.6.1.1 At the request of the Continental Confederation, points earned in the Continental Multi-sport Games Individual Championships can be included in the World Ranking instead of Continental Individual Championships as specified in 6.6.1 above. The Continental Confederations shall ensure that such Multi-sport Games Individual Championships follow similar competition regulations as the Continental Individual Championships.

6.6.1.2 The level of tournament for the ranking points purposes shall be the same as specified in 6.6.1.1

7. Team Championships point calculation / Continental Multi-sport Games Team Championships

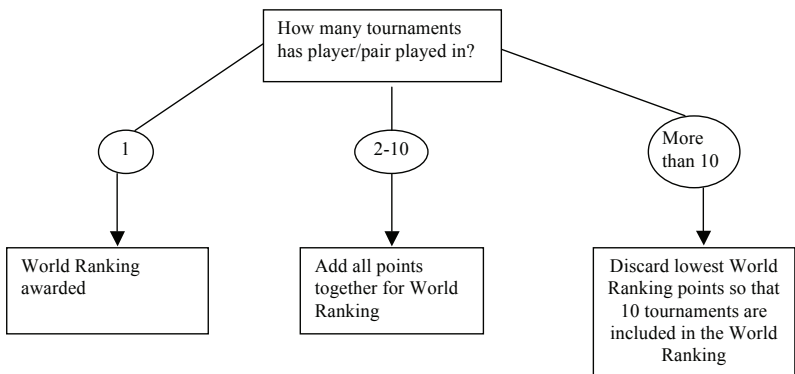

7.1 Team Championships that are included in the World Ranking are:

8. World Team Ranking

The BWF World Team Ranking system is to measure the overall strength of players from all Member Associations participating in BWF sanctioned tournaments. The Member Associations are ranked based on the results achieved by their players and their teams, the team earning highest number of ranking points being ranked the highest. The system used to rank the teams is explained below.

- 8.1 World Team Ranking points are awarded to a highest ranked player / pair from each Member Association in each of the five Badminton events i.e. Men's Singles (MS), Women's Singles (WS), Men's Doubles (MD), Women's Doubles (WD) and Mixed Doubles (XD) based on their world ranking as per the recently published BWF World Ranking.

- 8.2 World Team Ranking points are also awarded for the Member Association's finishing position in the most recently held Thomas and Uber Cups, or Sudirman Cup.
- 8.3 Where there is a pair competing together in the World Ranking from two different Member Associations and one or both players are ranked highest for their respective Member Associations, General Competition Regulations 12.6.1 shall be applied. A Member Association's Team Ranking points in such cases will include the eligible player's points from the mixed member association pair and the points from the next eligible highest ranked player to determine their notional ranking points after applying the procedure in General Competition Regulations 12.6.1.
- 8.4 The world team ranking is published on a quarterly basis on first Thursday of April, July, October and January. The complete World Team Ranking list is available on the BWF website: www.bwfbadminton.org
- 8.5 The World Team Rankings are compiled from the points allocated in a 52 week period as shown in the tables below:
